Sponsor an old person...Enable them to live with dignity

They worked firmly all their lives, brought up their children, and later took care of their grandchildren.

Now, they are at such a stage of their life where they areleft helpless and even lack access to basic necessities such as access to food, clothing, and shelter and face a lot of health related problems.

You can help them by sponsoring a destitute elderly by donating just **Rs. 1130** every month, and enable him / her to live with dignity.

Under our initiative of "Sponsor an old person", the donor will receive regular feedback on how the money was spent and the status and updates on the sponsored senior citizen.

There are people who let go off their parents in old age to suffer alone in the midst of nowhere

Support to buy food items and make their life bit easier

He /she have all the rights of covering his/her body from the cold waves or from the scorching sun....

Giving him/her a vision will enlighten your life and make your path towards the oldage, a blessed one.

OPEN UP YOUR HANDS AND WRAP THEM WITH ALL WARMTH AND LOVE ...
